15 March 2021

Dear Member

The new grass court season will start on Sunday 11th April, and we hope to see you all on court on the opening day, or soon after.

Club sessions will be on Sunday mornings (starting 10am or earlier), and Wednesday evenings (starting 5 or 6pm). Members are, of course, welcome to play at any other time too – **give James a ring on 8894 1628 or John on 8894 5019** if you want to know if anyone else is up for a game

2021 Membership Fees

After full consideration, we have decided to increase membership fees by 20% across the board in order to cover the increasing costs of maintaining the courts and renewing equipment and balls. Ours is still the cheapest and friendliest club in the area. This means that the full year adult membership will rise to £180, the “summer only” membership to £120. Junior fees will increase to £90 (or £60 if only for the summer) (1 April – 30 Sept).

Visitor fees

Adult visitor’s fees will rise to £6 per session and £3 for juniors. It is the responsibility of members who bring visitors to collect their fees and pass these to James or John, or if they do not, to pay the fee themselves. In order to make this easier for all, we have a system of ***Visitor Vouchers***, so that members with potential guest players can purchase in advance a book of five vouchers for £24 for adults, or £12 for juniors – note the price advantage. ***Visitor Voucher*** booklets (Birthday present?) can be obtained from James.

I enclose a membership form, and would ask you to return this to myself, together with your subscription, as soon as possible. Subscriptions are due by 1 April 2021, and I would much appreciate your prompt payment.

Can I ask you all to encourage your family, friends and colleagues to join up, as we need new members to ensure the survival of the club beyond this year.

Many thanks

James R Marsh
Club Chairman/Treasurer/Secretary
